MATERIALS

DOORSTOP FEATURING KOI CANVAS

¼ yard main print (canvas is great, but any quilting weight would work)
 3½" of ½ wide sew on velcro in complimentary color
 clean produce bag
 1-2 lbs of dry rice

CUTTING DIRECTIONS

HANDLE

2½" x 11½" strip

SIDES

4 rectangles
 4"w x 6½"h

BOTTOM

1 square 4" x 4"

TOP

2 rectangles
 4"w x 3½"h

ASSEMBLY DIRECTIONS

Seam allowances ¼" unless otherwise noted

- HANDLE** Fold in half along length, wrong sides together and press. Unfold and fold in edges to meet center crease. Then fold in half again. Topstitch along both sides of handle. {Fig 1}
- TOP {LOOP SIDE}** along a 4" edge fold ½" under to wrong side and press. Lay the loop side velcro over the raw edge centered from side to side and ⅛" from the pressed edge. Stitch on all sides. {Fig 2a}
- TOP {HOOK SIDE}** along a 4" edge, create a ¼" hem. Lay the hook velcro on right side of fabric centered from side to side and ⅛" from the finished edge. Stitch on all sides. {Fig 2b}
- FINISH TOP** attach the two pieces of velcro and trim both ends until the whole piece measures 4" x 4". {Fig 2c}
- SIDES** Sew all 4 side rectangles together along the long edges. {Fig 3a}
- BODY** Pin and baste the 4" x 4" square to the *bottom* edge and stitch carefully around the circumference, keeping corners tidy. {Fig 3b}
- Pin and baste **HANDLE** to top edges, centered on either side, tucking it *inside* body. {Fig 3c}

ASSEMBLY DIRECTIONS cont.

- Pin and baste the **TOP** to the sides. Velcro should *not* meet the handle. Stitch around circumference, keeping corners tidy. {Fig 3d}
- FILL** Turn inside out, insert a produce bag and funnel in the rice until filled. Tie off bag and seal velcro
